## **SOMWS COVID-19 Mission Statement**

The COVID-19 pandemic is an unprecedented challenge and the Society's highest priority is to support our members in maintaining Marine Warranty standards and safe practices. On behalf of all the Society we send our most sincere thanks and appreciation to all of those working on MWS projects under COVID-19 restrictive conditions.

The Society supports the Joint Rig Committee Marine Warranty Surveyor COVID-19 Endorsement, JRC2020-019 and we encourage all Society members to read the endorsement available via the Lloyd's Wordings Repository ([www.lloydswordings.com](http://www.lloydswordings.com)) and the JRC webpage ([www.lmalloyds.com/joinrig](http://www.lmalloyds.com/joinrig)).

We are all working hard to identify solutions that will allow us to continue delivering our vital mission statement throughout the coming weeks and months. For support and/or advice please contact [info@somws.org](mailto:info@somws.org).

The Society will continue to monitor developments and communicate with its members and provide professional leadership, uphold standards, and develop and share knowledge.

From all of us at SOMWS, we hope that you stay safe and healthy during this challenging time
